

Andrew Johnson

Nomination for the position of Secretary on the Maleny Golf Club Management Committee 2021/22

Andrew and his wife Rosalind have had their home in Maleny since 2008, moving to live permanently in North Maleny in December 2018 after completing international careers.

In his 50s Andrew discovered a passion (but no real talent!) for golf and has been a member of the Abu Dhabi Golf Club and Emirates Golf Club in Dubai. Andrew and Rosalind joined the Maleny Golf Club in 2008 and have watched with admiration as the course has progressed from hula hoops in a paddock to the wonderful course we have now through the efforts of past and current volunteers, members and grounds staff to whom we all owe a great debt.

Andrew spent over 42 years in the construction industry mainly in project management roles responsible for the delivery of projects and programmes in Europe, the Far and Middle East. Andrew spent 4 years prior to returning to Maleny as the Executive Director responsible for the delivery of a AUS\$6.5 billion construction programme for the World Expo in Dubai. Refer also www.linkedin.com/in/andrew-johnson-70308a63 and www.expo2020dubai.com

The duties of the Secretary are set out in the Maleny Golf Club Management Manual and Andrew's professional experience is ideally suited for the role.

In addition, Andrew is able provide support and advice to the Management and Sub Committee (s) in the following areas.

- Project Delivery
- Commercial and Contract Management
- Organisation structures, leadership and role definitions
- Governance
- Systems and procedures

Should he be elected Andrew will endeavour to support the Maleny Golf Club in its transition to a successful business run in the interests of all of its members and the Maleny community.
